

Content Outline

Jules Blatner

Project Title: Sylvia Plath Website

I want to create a site with separate pages for each of Plath's most distinguished works, featuring inserts from the texts and a brief analysis of each piece and its impact on her life and career.

- Homepage
 - Photo of Plath, quick biography
 - Maybe a few separate sections about major life events
- The Colossus
 - Snippet of text from the work
 - Quick briefing about the piece and its legacy
 - Reviews / public reception
- The Bell Jar
 - Snippet of text from the work
 - Quick briefing about the piece and its legacy
 - Reviews / public reception
- Double Exposure
 - Snippet of text from the work
 - Quick briefing about the piece and its legacy
 - Reviews / public reception
- Ariel
 - Snippet of text from the work
 - Quick briefing about the piece and its legacy
 - Reviews / public reception
